

WOVEN GROVE CONSULTING

**Empowering values-driven organizations to align
leadership, strategy and culture for equitable, flourishing futures**

UEI: K4PSGQW7BCD1 | CAGE: 98CH6

Woven Grove Consulting partners with values-driven organizations, public agencies, and foundations to strengthen leadership, culture, and systems in times of complex change. Through customized consulting, coaching, facilitation and education, we help organizations align values with practice, navigate cultural and relational challenges, and build the conditions for equitable, collaborative, and flourishing futures.

Core Capabilities

- **Equity-Driven Organizational Development** – Strategic culture and systems change grounded in equity, data and relational practice
- **Leadership & Cultural Transformation** – Coaching and learning that strengthens values-aligned, accountable leadership
- **Conflict & Change Navigation** – Facilitation and skill-building for dialogue across differences, relational repair, and collaborative culture transformation
- **Strategic Community & Stakeholder Engagement** – Participatory engagement and facilitation to align values, strategy, and public impact

Services

- ✓ **Strategic Consulting, Engagement & Planning** – Organizational assessment, culture and systems analysis, strategic visioning, and implementation support
- ✓ **Education & Facilitation** – Customized sessions & events to shape culture, leadership, stakeholder engagement & change capacity
- ✓ **Leadership Empowerment Coaching** – 1:1 & group coaching for conscious leadership
- ✓ **Speaking & Thought Leadership** – Keynotes, panels, and public engagements
